Spelling:

- This year, we are using a fantastic Orton-Gillingham based phonics program. As such, we will not have spelling word lists, but, instead, spelling rules of the week. This week and next, we will focus on words with the -s suffix (making the /s/ like mats and /z/ sound like logs). We will have a short spelling test over words with the suffix -s on Thursday/Friday.

**Notes:**

- Art class needs paper towel rolls for a fun project! Please begin saving them, and send them in by August 19.
- Scholastic book orders are coming home this week! If you would like to order (and it is COMPLETELY OPTIONAL), you must place your order online with the teacher code attached by Friday
