Behavior Chart

At ICSAtlanta, we use a color chart to communicate your student's behavior. This visual also helps the class reflect on their choices throughout the day. Colors will be added to the agenda daily. Every student starts on green each day. They move up or down the chart, depending on their choices. Students are given 3 warnings before their color is moved down.

PINK= Outstanding Day
BLUE= Excellent Choices
GREEN= Ready to Learn
ORANGE= Think About It
RED= Parent Contact
